###

About the Kentucky Exposition Center

One of the top 10 largest public facilities of its kind in the United States, the Kentucky Exposition Center features 1.2 million square feet of indoor space and accommodates a wide variety of events year round. The expo center is the permanent home for the Kentucky State Fair, the National Farm Machinery Show, and the North American International Livestock Exposition. Located adjacent to the Louisville International Airport and near the junction of three major interstates, the Kentucky Exposition Center is easily accessible and just five minutes south of downtown Louisville.
